

The image shows two teardrop-shaped regions, Ω_1 and Ω_2 , positioned diagonally relative to each other. Ω_1 is the upper-left region, colored purple, and Ω_2 is the lower-right region, colored green. They are connected by a narrow, hourglass-shaped neck. Both regions have a thin white border. The label Ω_1 is centered within the purple region, and the label Ω_2 is centered within the green region.
